REMARKS

SUBJECT: GRILL FLAME.

1. On 150915 Jul 81 I received a call from LTC Mike Chase, OSALL. He received a call from Mr. Giza, AA to Congressman Rose (D, NC). Mr. Rose wants to meet on 161400 Jul in his office with a representative from the Army General Counsel's Office and the DoD General Counsel's Office. The subject of the meeting is to discuss the impasse caused by the 'human use' issue in executing the Army contract with SRI-I.

2. LTC Chase asked me if OACSI wanted to be represented at the meeting. I said no. Congressman Rose wants to discuss a legal issue and the AGC A/O, Mr. Hatch, is fully knowledgeable of the Army position. It has

been and will continue to be ZA's position that he will support whatever the lawyers decide - that GRILL FLAME does or does not involve human use as defined in DoD Reg 5240.1R.

3. For Your Info. A meeting was held 141100 Jul 81 to discuss the human use issue within DA. Attending the meeting were: Mr. Spurlock, Army GC; Mr. Hatch, GRILL FLAME A/O in the Office of the Army GC; BG Rapmund, Chief of the Human Subjects Review Board; LTC Kieffer, INSCOM JAG; LTC Watt; LTC Jachim (LTC Watt's replacement); MAJ O'Keefe, DAMI-ISH. BG Rapmund stated that, among other subjects, he did not believe that the Army GRILL FLAME effort constituted human experimentation. He recommended Army execute its FY 81 contract with SRI as a non-human use contract. Mr. Spurlock seemed to accept this with the caveat that he wished to address the Army FY82 GRILL FLAME Program as a human use issue. In other words, we concur with the DoD position on human use for FY 81 and continue to debate over FY 82 activities. Mr. Hatch told me this morning that he is preparing a memo to this effect for the SA and DoD GC.
